### About Christian Siriano

Award-winning CFDA designer Christian Siriano launched his eponymous collection in 2008 following his studies in London under Vivienne Westwood and Alexander McQueen. Known for whimsical and show-stopping design, the collection is shown each season at New York Fashion Week and sold in retailers across the globe. In 2012, the first flagship Christian Siriano store opened in NYC and, in 2018, "The Curated NYC" opened in Midtown Manhattan. Now Siriano's most recent retail venture, "The Collective West," has opened in Westport, CT. Siriano was named among *Times* 100 Most Influential People for his leading contributions to body diversity on the runway and red carpet. He is also the youngest person to ever appear on *Crain's* "40 Under 40" list and a member of *Forbes* "30 Under 30."

Siriano has been heralded for leading the PPE charge during the COVID-19 pandemic. His atelier shifted entirely from clothes to masks and to date he and his team have shipped over 1 million masks to frontline workers in the New York area. 2020 also saw Siriano launch his own digital BRAVO talk show called *SO SIRIANO*, where he broke down all things fashion and pop culture with guests ranging from Drew Barrymore to Leslie Jones, Billy Porter, Ashley Graham, Sarah Michelle Gellar and Sia. And Siriano fulfilled a longtime passion when he added interior designer to his impressive list of credits with the debut of his newest venture, Siriano Interiors, and a full custom furniture collection. With over a decade of fashion experience, the Siriano design studio continues to celebrate beauty and diversity in the ever-changing fashion industry. Most recently, the prestigious SCAD (Savannah College of Art & Design) MUSEUM OF ART presented Siriano's first-ever solo work retrospective, the *CHRISTIAN SIRIANO: PEOPLE ARE PEOPLE* exhibition, which ran in Savannah from October 2021–January 2022 and recently moved to the Atlanta location, where it remains on view through October 9, 2022. In 2017, Siriano added the title of author to his credits when he released a photographic retrospective book with Rizzoli Books called *Dresses to Dream About*, now in its third printing. Due to high demand, he released a new version in fall 2021 titled *Christian Siriano: Dresses to Dream About Deluxe Edition*, which features brand new images from his ever-growing, impressive body of work.
