NEW YORK, April 24, 2025 (GLOBE NEWSWIRE) -- Xcel Brands (NASDAQ: XELB), an industry leading media and consumer products company specializing in building influencer-driven brands through live streaming and social commerce, is thrilled to announce a strategic partnership and a \$9 Million strategic investment from United Trademark Group (UTG), a global leader in brand development and licensing.

UTG specializes in mergers, acquisitions, brand strategy, and digital innovation; partnering with top-tier companies worldwide to maximize brand value and unlock new growth opportunities. They empower brands and merchants by providing the infrastructure and operational expertise—across design, manufacturing, distribution, and retail.

UTG believes in elevating brands beyond products, crafting immersive experiences that resonate with consumers. Leveraging emerging media, social platforms, and cutting-edge retail technology, UTG continuously redefines how brands connect with audiences. Whether through DTC, interactive campaigns, influencer collaborations, or experiential retail, they create dynamic, consumer-driven brand experiences.

"We are excited to work with Xcel Brands," said Alex Wang, Co-Founder and Chairman of UTG. "By combining their expertise in social commerce and our shared vision and commitment to product and innovation, we look forward to building the next generation of great brands."

"We are very excited to partner with UTG," stated Robert W. D'Loren, Chairman and Chief Executive Officer of Xcel Brands. "There is tremendous synergy between our companies' goals, missions, and visions for the future of the global consumer sector. With UTG's global expertise and our shared commitment to innovation, brand building and leveraging pioneering new technologies, we see great opportunities on the horizon and look forward to unlocking new possibilities together."

This collaboration reinforces Xcel's commitment to transforming how consumers engage with the brands they love. Both UTG and Xcel Brands are rooted in a social-first, creator-driven approach—leveraging the power of digital communities, cultural relevance, and influencer partnerships to build brands that truly resonate with today's consumer.
